PUBLIC HEALTH COMMITTEE MEMBERS
Legislative Office Building, room _____
Hartford, CT 06106

My name is Nasha Ortiz and I reside at 131 Columbus Circle Ext East Hartford CT 06108.
I believe that everyone should have health insurance and healthcare because it is conducive for their health and well being. Several people including families with young adults have without health insurance and healthcare. Please provide them with the help they will be forever grateful.

The purpose of this letter is to ask if you can help with my efforts in supporting the Raised SB.425 An Act Establishing a basic health program. This bill is a step in the right direction, but we will continue to move our efforts into free healthcare for everyone. This bill will help a certain portion of people who may not have healthcare.

Thank you for your time and considering my request.

Sincerely,
